

## Vineyard Operator

### **The Company**

Rural Funds Management Limited is an investment manager, specialising in agribusiness funds management. RFM currently manages around \$300 million of agricultural assets for around 5,500 investors. An opportunity currently exists for a Vineyard Operator servicing our Viticulture Operation in the Barossa Valley, South Australia.

### **Responsibilities**

Under the direction of the Vineyard Manger, you will play an active part in all viticulture operations including machinery operations, spraying for weeds and insects and monitoring irrigation systems. You will also be involved in facilitating spray, fertilizer and pruning programs and assisting in maintenance activities. Our successful candidate will also assist in general work plans and the supervision of contractors.

### **Selection Criteria**

#### **Essential:**

- Current manual drivers' license.
- Chemical Certificate and forklift licence.
- Sound working knowledge of machine operation technology as well as hands on vineyard procedures.
- Good communication and interpersonal skills

#### **Highly regarded:**

- Sound judgement and decision making skills
- Ability to lead by example and positively influence a team
- Well organised and ability to coordinate multiple activities
- AQF level 2 or other industry certification

### **Remuneration & Benefits**

The successful applicant will be offered a competitive salary dependant on previous experience and qualifications. Other employee benefits will be negotiated with the successful candidate. You will also be eligible to participate in the company's group salary continuance and life insurance plan at no cost.

To apply, forward a covering letter addressing the above criteria and a resume to Human Resources, Rural Funds Management Limited - Canberra, Locked Bag 150, Kingston ACT 2604, or e-mail [hr@ruralfunds.com.au](mailto:hr@ruralfunds.com.au) by 4 August 2010.
